## Quality and Space

Nostra Vita’s deep blue hull radiates quality and her cushioned sun decks ensure ample space for socializing or private contemplation, as you prefer.

## Relationships

For the last 10 years, Jacky and Vinko have been a “dream team” working together. No matter on which gulet they work - the clients go home happy. As Jacky is married to a sister of Vinko, they are also “a family”. And their characters fit together perfectly.

## Value for Money

For a 5 cabin, 32.5m/106ft traditional gulet in Croatia, her size and high-quality interior make her an absolute bargain. With two master cabins of similar size, two more doubles cabins, and a twin for kids, she is perfect for two families to enjoy in comfort.

# Tradition

Gulet with tradition and lots of experience – Nostra Vita is in Croatia for almost 10 years.

 OCEAN YACHTING

# Water toys and equipment

Paddleboarding, water skiing, donut rides,

# Spacious and Renovated

Nostra Vita is by far the largest and most comfortable 5 cabins gulet in her price range. In 2020, there was a complete change on the teak on deck and a new kitchen. There are comfortable sun mattresses and a large cushioned leisure area with more space for people to relax

# The Crew

## Nostra Vita's Biggest Advantage

This is the crew that performs outstanding in their job - but they also have the charisma, the character and the energy, that will actually create the best memories for the group.

# The Food

Jacky is not cooking with his hands. He is doing it from his heart! It is like he has stolen all the best "Dalmatian" recipes from his grandmother and upgraded them in a way they will impress even the most demanding Yachting guests.

He is obsessed with getting the fresh and local ingredients, very innovative and a bit "old school" when it comes to portion sizes. With Jacky, forget HUGE PLATES with a "one bite meals".
