 OCEAN YACHTING

30m, 5 Cabins, 10 Guests

Take a voyage of discovery along Turkey's dramatic Lycian Coast & Greece Islands aboard "Ecce Navigo" a beautifully designed contemporary take on the traditional Turkish gulet.

"Ecce Navigo" built and launched in 1997.

She was beautifully refitted in 2016. The latest naval technologies as well as a sophisticated onboard entertainment system.

30-meter wooden sailing ketch, "Ecce Navigo" (Latin: 'Here I sail') has been highly engineered to offer luxurious accommodation both above and below decks together with superb performance, stability and comfort while underway.

The indoor saloon is superbly laid out with generous dining, bar and entertainment areas. Her spacious interior has been handcrafted and finished in rich mahogany, resulting in living spaces that are both impressive and intimate.

Ecce Navigo offers world-class facilities, service, and cuisine, with specialized itineraries designed around you and your party, from cultural tours to swimming, water sports, and hiking.

One master cabin, two double cabins and two cabins with twin beds, a total of 5 cabins for 10 guests, cabins are each with its own en-suite bathroom and adjustable air-conditioning offers spacious and inviting accommodation for up to ten guests.

There are two main decks: the spacious aft deck has comfortable seating, a large dining table and a tail deck for sunbathing, while the forward deck area offers vast spaces in which to relax and a perfect table for cocktails and nibbles.
